

# Sunol Glen Garden

SEPTEMBER 2014

## Welcome Back to our School Garden!

The Garden is blooming at Sunol Glen! Our first school-wide Garden Day will be on Thursday, September 11. Lettuce, tomatoes, potatoes, squash and peppers are ready for harvest. The kids will pick vegetables and make their own salads at our new salad prep station. Resident silkie chicken, Isabelle, will be back in her coop along with her three new friends, Goldie, Stripe, and Peeps. Stripe and Peeps are "showgirl" or "naked neck" silkies and very unusual chickens, come visit and see for yourself!

Our Garden would not be a success without our parent volunteers. No experience necessary. Signup with your child's teacher or contact Jennifer Rampton ([ramptonlaw@gmail.com](mailto:ramptonlaw@gmail.com)) or Alisa and Abran Dreyfus ([alisadreyfus@gmail.com](mailto:alisadreyfus@gmail.com)) for more information.
